BACK THEN.

WHAT  
MADE  
YOU

THAT'S

THAT'S  
RIGHT

UNTIL  
NOW.

IT'S TRUE  
THAT THAT'S  
WHAT I  
THOUGHT...

AFTER  
COMING  
HERE,

After meeting  
everyone.

BUT  
RIGHT  
NOW,

I don't think like  
that anymore.

I REALIZED  
THAT I WAS  
WRONG...

WHAT.

I TOLD  
YOU

DIDN'T  
I?

THERE'S  
NOTHING  
ELSE THAT  
COULD  
MAKE  
ANYONE  
HAPPIER  
THAN  
THIS. ..!

RIGHT,

DON'T  
JUST  
TALK  
THINGS

YOUR-  
SELVES

ARE  
YOU

HEY,  
HEY,

IT'LL BE  
TROUBLESOME  
AFTERWARDS  
IF WE DON'T  
PUNISH THEM  
BEYOND

ENOUGH  
THAT THEY'LL  
BECOME IM-

1. The first part of the paper is a review of the literature on the effects of the 1997 Asian financial crisis on the economies of the Asian countries. It shows that the crisis had a significant negative impact on the growth of the Asian economies, and that the impact was more severe in the countries that had a higher degree of financial liberalization.

I've decided...

I might be able  
to understand  
the mystery...

I'll use this  
opportunity  
to observe  
what kind of  
person Kanoe  
Somoku is!

If I do  
that.

I don't  
even know

what type of person  
Kanoe-san is.

Speaking of that,  
up until now...

I've never had the time  
to think this through

Though  
I don't  
remember  
what hap-

I wonder  
why... this

What is he  
thinking?

However,

A black and white manga-style illustration of a city street scene. In the foreground, a large, stylized '9999' is superimposed over the image. Below it, the number '1600' is written in a large, outlined, handwritten font. The background shows a street with buildings, trees, and a car. A small speech bubble on the right contains the text 'AT'. The overall style is dynamic and energetic, typical of manga art.

Afterword below

✿ I am truly grateful to you for buying Okane ga Nai G! I am glad that you like the story even a little bit. If you'd like, please let me know your thoughts about it.

✿ At the beginning of 2007 I was told about the Okane ga Nai OVA! I'm also helping out with some illustrations for the singles. They're going to be animated, so please, please watch them. The original creator, Shinozaki-san, is working on the screenplay.

✿ I'm sorry about the chapters being so messy and all, but I'll keep at it in 2007 as well, so wish me luck!
